

**THE FOUNDATION FOR EDUCATIONAL EXCELLENCE**  
**Presents**  
**“PAR FOR EDUCATIONAL EXCELLENCE” GOLF OUTING**

The Will Country School District 92 Foundation invites you to participate in our “Par for Educational Excellence” golf outing.

The event will be held Friday, May 16 at Gleneagles County Club in Lemont, Illinois. A shotgun start kicks off the outing at 1:00 PM.

The golf outing allows the Foundation to provide District 92 with additional resources for projects that enhance learning opportunities for our students, staff, and the community. We invite area businesses, District 92 parents, and surrounding community members to join us for an enjoyable day to help this important and worthy cause.

A group of dedicated volunteers, including local business owners, parents, district faculty, and staff comprise the Foundation, which actively supports a variety of educational endeavors for District 92 including the development of the outdoor classroom at Oak Prairie. Other projects sponsored by the Foundation include:

- ◆ Innovative grants to teachers for special projects
- ◆ Funding for junior high school musicals
- ◆ A mural painting in the lobby of Walsh School
- ◆ Four-year high school scholarships to graduating valedictorians

Golf Packages, which include snacks, refreshments, and dinner, are available for individuals and foursomes. A series of sponsorship opportunities are also available. Registration deadline for the outing is May 2.

Please share the attached invitation with your friends, family and co-workers, and use it to register for the outing. For more information, contact the District 92 Administration office at 815-838-8031.
