

GYM UNIFORMS:

All 6th grade students will be able to purchase gym uniforms for the 2010-11 school year during the Jump Start Program or walk through times before school starts in August. There will be sizes set out so you can hold the clothes up to your child and make sure the uniform will fit them. We ran into a lot of sizing issues when order forms were sent in last year. This should allow students to get the proper sizes. If you are not able to make any of these dates students will also be able to order uniforms when school begins.

Any 7th and 8th grade students that wish to buy another uniform for next year we will have some extras that may be purchased when school starts. If we run out of sizes your child may wear last years uniform or any gym shorts and a t-shirt until their order is completed.

The cost of a gym uniform will be **\$16.00.**

Mesh shorts = \$10.00

Shirts = \$6.00

Make checks payable to District 92. If you have any questions feel free to contact the Physical Education Department at the following number.
