NEW CHILD SAFETY PROGRAM

Dear Parent or Guardian,

In our continuing commitment to support the safety of our community, Oak Prairie is pleased to announce our participation in the SmileSafe Kids™ program, a child safety program developed in partnership by the National Center for Missing & Exploited Children (NCMEC) and Lifetouch National School Studios.

This program will provide the families of every student photographed on school Picture Day with a pair of Safety ID Cards free of charge.

According to the Department of Justice, nearly 800,000 children are reported missing each year. While most missing children are found within a few hours, we know that any time apart from your child can be a stressful and terrifying experience. The SmileSafe Kids™ program is designed to help your family stay safer and prepare you to respond quickly if your child is missing.

Additional information about the SmileSafe Kids™ program will be included with your child's safety cards. In the meantime, please visit www.smilesafekids.com for more information about the program.

At Oak Prairie, the health and well-being of your child are top priorities. We're proud to be a partner in the SmileSafe Kids™ program, one of the nation's largest child safety initiatives.

Your child had to be present on Picture Day to receive the complimentary safety cards. The card will also be available for students taking their photos at our make-up day. *These SmileSafe Kids cards will not be sent home with your children but distributed to parents at parent-teacher conferences in November.*

Sincerely,

Mark Murray
