

Preschool Emergency Weather Plan

On the other side of this handout, you will find our Preschool Snow Day Activity Board. If there is ever a Snow Day or other scenario in which school is cancelled, please use our Bingo Board to complete any 4 activities of your choice with your child.

We will have one live Zoom Meeting for Circle Time together as a preschool team on any cancelled school days.

The Zoom link for the day will be sent to you via email the morning of the cancelled school day from your child's teacher. Attendance for the day will be taken on the Zoom meeting.

If you are unable to attend our Zoom, we completely understand! Please still send your child's teacher a message to let us know you are present for attendance.

Please log on during your class's time slot. We can't wait to see your smiling faces!
